WHAT TO DO IF YOU ARE INVOLVED IN AN AUTO ACCIDENT

- 1 FIND OUT IF ANYONE IS INJURED.** Call for help if people are injured and avoid moving a severely injured person.
- 2 PROTECT THE SCENE.** Try to keep things as they are. It is very important to keep yourself, others and your car from further damage. Set up flares, get off the road, etc.
- 3 COLLECT INFORMATION.** Get pictures (if possible). Using this form, gather names, addresses, witness information, insurance information, driver's license information, etc. Don't be afraid to point out anything unusual about how the accident occurred. Some accidents are caused intentionally. Contact law enforcement. Don't confront the individual. Then, go home and write down everything you can remember while it's still fresh in your mind.
- 4 IT IS YOUR RIGHT** to choose the repair shop where you want to have your vehicle repaired.
